Hey Joanne,

Kevin actually put the copy and the graphic together. Is the attached usable?

Thank you! Elan will be getting the copy to you today.

Kevin, could you please make a version of our innovate logo that is 370w x 470h pixels?

I can do the e-blast on Monday if that works for you! It'll be a member spotlight and attached is an example. The graphic is 370w x 470h pixels. If you can get me the graphic, 40-50 words of copy, and the link for the call to action button by Monday morning, that would be ideal.
